ORDER

14
15 This stayed and administratively closed prisoner civil rights action comes before the
16 Court for a status review.

17 The Court stayed the damage claims in this action on April 9, 2008, pending the
18 outcome of plaintiff's criminal proceedings, through to the completion of all proceedings on
19 direct review of any judgment of conviction.

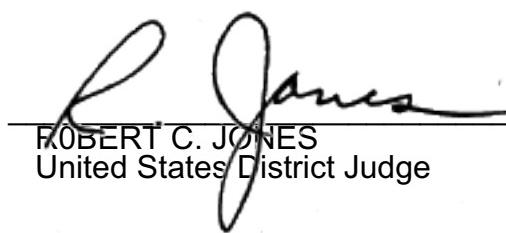

20 The Court takes judicial notice of the proceedings reflected in the online docket record
21 for No. C226530 in the Eighth Judicial District Court for the State of Nevada. Plaintiff was
22 convicted on July 24, 2008, in the criminal proceeding that was the subject of the instant
23 action. He did not appeal the conviction or pursue any collateral review. The time for seeking
24 state and federal post-conviction relief long since has expired.

25 Further proceedings herein prior to entry of a final and conclusive judgment in this
26 matter would be an imprudent application of limited judicial resources.

27 IT THEREFORE IS ORDERED that the stay in this matter shall be LIFTED and that
28 the Clerk shall administratively reopen this action in connection with entry of final judgment.

1 IT FURTHER IS ORDERED that the Clerk of Court shall enter final judgment,
2 dismissing this action without prejudice.
